

REMARKS

The amendments to claims 1, 6 and 10 change central portion to "central region" for consistency within the claims. The specification at paragraph 22, lines 15 to 17 provides a basis for central region. Applicants respectfully submit that the amendments enter no new matter.

Applicant believes that the amended application is in condition for allowance and respectfully requests reconsideration. Please call Applicant's Attorney at (302) 283-2136 if a call would expedite prosecution.

Respectfully submitted,
